

INTERLOCAL AGREEMENT

THIS INTERLOCAL AGREEMENT is made and entered into pursuant to Chapter 39.34 of the Revised Code of Washington, by and between Cowlitz County, Washington, a political subdivision of the State of Washington, acting by and through its Board of Commissioners, (the "County") and the Port of Longview a municipal corporation organized under the laws of the State of Washington, and wholly situated in Cowlitz County, Washington, (the "Port"), on the date shown below.

RECITALS

1. County is eligible for and receives sales and use taxes for rural counties authorized in RCW 82.14.370 and imposed in Cowlitz County Code Chapter 3.21, as amended. Such tax is authorized for the purpose of financing public facilities serving economic development purposes in rural areas. County has agreed to pay over to the Port a portion of the proceeds of said tax revenues to assist the Port with the costs of a project connecting the industrial rail corridor from the mainline to the internal rail network that serves the Port's marine terminals and industrial tenants. Said improvements are more particularly described in the Project Information Sheet for Rural County Public Facility Funds, submitted by the Port, dated February 28, 2020. The contribution to the Port from County tax proceeds for this project will be in the amount of \$500,000.

This project is listed in the Port of Longview's Comprehensive Scheme of Harbor Improvements and 2020 Capital Improvement Plan.

2. The Port has the appropriate statutory authority pursuant to chapter 53.20 RCW and RCW 53.08.240(2), and is ready, willing, and able to complete the project described herein, and the parties are entering into this Agreement to carry out such purpose.

3. Entry into this Agreement is authorized under Chapter 39.34 of the Revised Code of Washington, the Interlocal Cooperation Act.

AGREEMENT

For and in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

1. Effective Date: This Agreement shall be effective upon execution by both parties.
2. Purpose: The purpose of this Agreement is to allow the County to provide partial funding assistance to the Port for the costs of economic development for the North Rail Connection Project. Said improvements are more particularly described in the Project Information Sheet for Rural County Public Facility Funds, submitted to the County by the Port, dated February 28, 2020 (the "project").
3. Planning Design/Implementation: The Port anticipates it will complete the project described herein, no later than December 31, 2021. The County shall have no responsibility for the design or management of said project. The Port shall have the sole authority to determine its design and enter into contracts with consultants and contractors in the manner allowed by law.
4. Financing: Pursuant to this Agreement, County shall pay to the Port the sum of \$500,000 on or before August 30, 2020. Such funds shall be invested by the Port until needed for project costs. All funds distributed to the Port pursuant to this Agreement, including interest accruing on the investment of such funds, shall be restricted solely for payment of costs incurred in connection with the project.

5. Budget: The total estimated cost for the project is \$4,400,000. The project is anticipated to be completed no later than December 31, 2021. The Port has developed a budget for the project, will maintain the budget, and will account for all expenditures made for the project. In consideration of the above described transfer of funds, the Port hereby agrees that the said project shall be completed as described herein notwithstanding any cost overruns incurred in the course of the project.

6. Repayment Guarantees: In the event that tax proceeds have been disbursed to the Port and the project does not proceed, the Port hereby guarantees that it will refund to the County all such proceeds disbursed to it, together with accrued interest at the same rate as if the funds had been invested with the Washington State Local Government Investment Pool, provided that the Port may deduct such amounts as it shall have applied to the project through the date on which a decision is made not to proceed with the project.
